

## **PG&E Talent Connect**

### ***Job Posting Title***

Utility Gas Service Rep - Santa Cruz

Job Posting Date: 02/08/2017

Requisition #: 54006127-E01

Job Category: Maintenance / Construction / Operations

Job Level: 2. Individual Contributor

### ***Company***

Based in San Francisco, Pacific Gas and Electric Company, a subsidiary of PG&E Corporation (NYSE:PCG), is one of the largest combined natural gas and electric utilities in the United States. And we deliver some of the nation's cleanest energy to our customers in Northern and Central California. For PG&E, "Together, Building a Better California" is not just a slogan. It's the very core of our mission and the scale by which we measure our success. We know that the nearly 16 million people who do business with our company count on our more than 24,000 employees for far more than the delivery of utility services. They, along with every citizen of the state we call home, also expect PG&E to help improve their quality of life, the economic vitality of their communities, and the prospect for a better future fueled by clean, safe, reliable and affordable energy.

Pacific Gas and Electric Company is an Affirmative Action and Equal Employment Opportunity employer that actively pursues and hires a diverse workforce. All qualified applicants will receive consideration for employment without regard to race, color, national origin, ancestry, sex, age, religion, physical or mental disability status, medical condition, protected veteran status, marital status, pregnancy, sexual orientation, gender, gender identity, gender expression, genetic information or any other factor that is not related to the job.

### ***Department Overview***

Gas Operations is focused on ensuring the safe and reliable flow of natural gas to our customers. As a whole, Gas Operations is responsible for all aspects of PG&E's gas distribution and transmission operations, including planning, engineering, maintenance and construction, restoration and emergency response.

### ***Position Summary***

The Utility Gas Service Representative duties include Company generated scheduled meter changes, Smart Meter module changes, atmospheric corrosion and non-hazardous leak repair and remediation on gas meters 630 CFH or less. Perform pilot relights as needed in connection with meter changes. Employees who have met the necessary training requirements may assist others in support of other work being performed.

The individual must be able to drive safely, work extended hours; travel/transfer to a new headquarters upon request at any time, and wear company provided Personal Protective Equipment.

This is an IBEW Local 1245 represented classification, which has over 100 years of experience representing employees at PG&E and is subject to collective bargaining. In addition, it is a Department of Transportation covered classification and is subject to random drug screening.

This position may be offered a shift based on business need and availability. The Shifts are as follows:

- Monday thru Friday
- Tuesday thru Saturday
